Town Warrant

THE STATE OF NEW HAMPSHIRE

in said State, qualified to vote in town Affairs:

To the Inhabitants of the Town of Clarksville in the County of Coos

You are hereby notified to meet at the Town Hall in said Clarksville on Tuesday, the 9th day of March, next at nine of the clock in the forenoon, to act upon the following subjects:

1. To choose all necessary Town Officers for the year ensuing.
2. To raise such sums of money as may be necessary to defray town charges for the ensuing year and make appropriations of the same.
3. To see if the Town will vote to authorize the selectmen to hire such sums of money as may be necessary to defray Town charges in anticipation of taxes.
4. To see if the Town will vote to authorize the Selectmen to administer or dispose of any real estate acquired by the Town.
5. To see if the Townspeople will raise the sum of \$300.00 for the contribution to the Upper Connecticut Valley Hospital Association.
6. To see if the Town will vote to discontinue a portion of Crawford Road so called, beginning at the point where Edgar Crawford Land, St. Regis Land and Dr. Carlton S. Ford's land abut and continuing to its termination point in the upper field of the old Albie Crawford Farm, and to abandon the public right of travel on such portion.
7. To transact any other business that may legally come before this meeting.

Given under our hands and seal, this 17th day of February, in the year of our Lord nineteen hundred and sixty-five.

HENRY RICKER
ALMON YOUNG
DONALD E. McKINNON
Selectmen of Clarksville

School Warrant

THE STATE OF NEW HAMPSHIRE

To the Inhabitants of the School District in the Town of Clarksville qualified to vote in district affairs:

You are hereby notified to meet at the Town Hall in said district on Tuesday, the 9th day of March, 1965, at 10:00 o'clock in the forenoon at which time the polls will be open, followed by the business meeting at 2:00 o'clock in the afternoon, to act upon the following subjects:

1. To bring in your ballots for the election of School District Officers to be elected by ballot for the School District of Clarksville for the ensuing year(s).

2. To determine and appoint the salaries of the School Board and Truant Officer and fix the compensation of any other Officers chosen and pass any vote relating thereto.

3. To hear the reports of Agents, Auditors, Committees, or Officers chosen and pass any vote relating thereto.

4. To see what sum of money the District will vote to raise and appropriate for the support of schools, for the payment of salaries for school district officials and agents and for the payment of the statutory obligations of the District.

5. To see if the district will vote to authorize the school board to make application for and to accept, on behalf of the district, any or all grants or offers for educational purposes which may now or hereafter be forthcoming from the State of New Hampshire and/or United States.

6. To transact any other business that may legally come before this meeting.

Given under our hands at said Clarksville this 8th day of February, 1965.

GLADYS M. RICKER, Chairman
LESTER M. BROOKS,
ELWIN J. LADD

Clarksville School Board

Superintendent's Report

To the School Board and the Citizens of the School District of
Clarksville:

Foreword

Present indications are that more time will be given to education in legislative halls during the current session at both national and state levels than at any other time in the history of our country. Without question, the unprecedented tremendous volume of lip-service given to education by laymen as well as by professionals in the last decade has had much to do in bringing this about.

What is going to be interesting to watch now, will be the educational developments during the next ten years. As is so very well known, for an extended period of time much has been heard about what should be taught, how it should be taught, and the necessity of a relatively large unit if it is to be done at all effectively. It has long since been discovered, also, that to convert many of the theories advanced into action that it invariably results in one thing. It costs more money. Hence the legislator is appealed to for help. For, by and large, he is not consulted relative to subject matter content or the most effective way to get it across to the pupil. Generally speaking, he is approached only after it is realized that additional funds will have to be forthcoming if the desired objectives are to be reached.

Or perhaps even greater significance than the educational developments during the next decade, will be the outcomes achieved as a result of what is done. Possibly, more conclusive evidence will be available then to substantiate the broadly accepted belief at the present time, that with the organization into larger units and the spending of more money a superior education follows. It is suspected that it may still be difficult to really determine this point. For, as has been true since our schools were first instituted a long time ago, it is not so much what is taught or how it is taught as it is what the learner does with it after he gets it.

Teachers

With, if anything, even a greater shortage of elementary teachers than ever before, plus greater and greater emphasis upon the single grade setup, the district is more than fortunate to have experienced teachers in the multi-graded, self-contained classrooms in our school. Mrs. Kate Lord, who received her training at Plymouth Teachers College, and who has had several years of experience including a number in her present position teacher in the upper grade room. Mrs. Marion R. Godzyk, who teaches in the lower grade room, taught in the southern section of the State after graduating from the University of New Hampshire before coming to Clarksville.

SCHOOL NURSE—HEALTH

As has been cited again and again the importance of the work done by the school nurse in maintaining overall good health contributes very materially to the effectiveness of the academic work done and to a happy and successful life of the pupils in our schools. The comprehensive program conducted includes clinics, immunizations, physical examinations, frequent check-ups on height, weight, hearing, and eyesight, and continuous supervision of general health.

As much as these services contribute to what is accomplished healthwise in our schools, however, one of the utmost vital importance—dental care—still urgently needs to be included. A dental clinic conducted once or twice a week throughout the entire school year is most urgently needed if there is to be any semblance to what is done in this area in most schools up and down the state.

BUILDING—EQUIPMENT

Although, as is known, funds were appropriated under a special article in last years' warrant to repair the roof, due to the difficulties experienced in finding some one to do the work, to date it has not been done.

A new liquid duplicating machine, recently purchased, is of great help to the teachers in the preparation of seat-work and tests. Class time formerly required to write classroom work upon the black board is now freed for instructional and supervisory purposes.

ENROLLMENT AND ATTENDANCE

The enrollment at the time of this writing of only 29 pupils is the smallest in a good many years. The average percentage of attendance last year was 96.80 for Grades 1-4, and 98.89 for Grades 5-8, while the average number of tardiness per pupil for the same groups taken in the same order was .000 and .005.

Twelve pupils are enrolled in school outside the district in comparison to 7, 9, 12, 9, and 13 respectively for each of the preceding five years. Of the present number of tuition pupils, 9 are at Pittsburg High School, two at Colebrook Academy, and one at Canaan High School, Vermont.

NOTES ON THE BUDGET

The School Boards' Budget for 1965-66 is \$23,357.00 in comparison to \$22,914.00 plus \$135.00 voted under a special article in the warrant to make a total of \$23,049.00 for the current year. This amount is decreased by an estimated balance of \$400.00 plus anticipated proceeds from the sweepstakes of \$1,100.00 which leaves \$21,857.00 to be raised by taxes by the town as compared to \$21,049.00 for this year. Examination of the budget breakdown found on subsequent pages of this report will show that, for the most part, provision for higher tuition costs explain the increase in the budget.

CONCLUSION

May I again express my deep appreciation to the members of the School Board, parents, teachers and citizens for all the assistance and cooperation received in our working together during the past several years in a joint effort to provide and maintain high standards in our schools.

Respectfully submitted,
ERNEST B. DANA
Superintendent of Schools

	<hr/>	<hr/>	<hr/>
Totals:	\$18,695.47	\$23,049.00	\$23,357.00

*The starred items are required by law to be raised as determined by the proper authorities. The Retirement Board assesses the amount for Teachers' Retirement, and the Federal Government determines the rate of assessment under the Federal Insurance Contributions Act. A relationship which takes into consideration school membership and assessed valuation determines the proportionate share of the salaries paid by each district for personnel employed by the Supervisory Union.
